## **APPLICATION GUIDELINE**

Enclosed are all relevant materials for a mechanic license in the State of Maine. If you have any questions, you may contact the Manufactured Housing Board office at (207) 624-8612 or by e-mail at: [michelle.m.lovering@maine.gov](mailto:michelle.m.lovering@maine.gov).

### **LICENSING REQUIREMENTS** ➤

**To apply for a mechanic license, the following documentation must be submitted** ➤

1. A completed notarized application;
2. If the applicant is an out-of-state entity, a duly-executed power of attorney appointing the Executive Director as its agent for service of process in this State;
3. Proof of products/completed operations liability insurance for at least \$300,000.00 and, where required, proof of workers' compensation insurance. Liability policy and workers' compensation insurance must include mandatory notice of cancellation to the Manufactured Housing Board;
4. Evidence of Completion of Qualifying (Initial) Education Training Program;
5. Payment of the appropriate license fee; and
6. Payment of the criminal background check fee.

### **CRIMINAL BACKGROUND CHECK** ➤

Pursuant to 5 M.R.S.A. §5301-5303, the State of Maine is granted the authority to take into consideration an applicant's criminal history record. The Office of Licensing and Registration **requires** a criminal history records check as part of the application process for all applicants.

Public Law Chapter 401, sec. W-1, amends Title 25 §1541, sub-§6 to allow the State Bureau of Identification to charge a fee to government organizations for services provided. Therefore, as of October 1, 1999 all criminal background check of individuals are subject to a fee as determined by the Commission of Public Safety.

### **QUALIFYING (INITIAL) EDUCATION TRAINING PROGRAM** ➤

The Manufactured Housing Board is required to provide initial training in the servicing and installation of manufactured housing to all licensees and applicants for licensure beginning July 1, 2000, pursuant to Title 10, Chapter 951 §9021(1-A). Therefore, in order to obtain a license, it is **mandatory** to attend initial training prior to a license being issued. A registration form is enclosed with this packet.

## **INSTALLATION WARRANTY SEALS** ↗

The scope of licensing allows mechanics to perform installations of manufactured housing (HUD-code homes only). Pursuant to 10 M.R.S.A. §9002 (6) "Installation" means: (A) the affixing of manufactured housing on foundations or supports at a building site; and (B) The assembly and fastening of structural components of manufactured housing, including the completed roof system, as specified by the manufacturer's installation instructions and in accordance with the rules of the board.

Therefore, any mechanic that installs manufactured housing must purchase Installation Warranty Seals to affix to the home at the time of installation.

## **FEE SCHEDULE** ↗

All fees are non-refundable and must accompany your license application. Checks should be made payable to: Treasurer State of Maine. Fees will be charged for the following ↗

- Original Mechanic License                      \$150
